BERKELEY HILLS COUNTRY CLUB

INVITATIONAL | FRIDAY, SEPTEMBER 27, 2024
HORSESHOE BEND GOLF COURSE

PROCEEDS FROM THE JAKE BENEFIT THE KYLE PEASE FOUNDATION
GRANT FUNDING PROGRAM

THE JAKE GOLF TOURNAMENT & INVITATIONAL

BENEFITING

Each September comes one of our favorite annual and constantly evolving events, The Jake Golf Tournament. What started in 2015 as a one-day tournament, has become a widely popular and demanding tournament, and now will expand into a two-day event. The Jake Golf Tournament will now be held at Berkeley Hills Country Club in the Spring, followed by The Jake Invitational (by invitation only) hosted at Horseshoe Bend Country Club in Roswell, GA in the Fall.

Jake Vinson has and will continue to be very near and dear to my heart, as he was THE very first athlete to participate with The Kyle Pease Foundation. Jake's legacy continues to live in the heart of the foundation each and every year and through the golf tournament and now the invitational, as his spirit continues to inspire love and faith in our community. We invite you to become a 2023 sponsor and join our efforts as we make a difference in the lives of people living with disabilities. 100% of the proceeds raised will go directly to The Jake Vinson Family Grant, as well as other Foundation programs and events. Past recipients of The Jake Vinson Family Grant have purchased accessible vehicles, remodeled bathrooms, and modified living spaces to meet individual needs.

Thank you to our amazing supporters who help us live out Jake's incredible spirit and a special thank you to Scott, Amy, and Noah Vinson for their long-term friendship and commitment to The Kyle Pease Foundation.

It excites me and warms my heart to not only witness our returning players year after year, but and welcome new participants and sponsors to this two-day affair of the exciting and entertaining afternoon on a premier golf course that provides a scenic and challenging experience for golfers of many levels.

Pushing Beyond Limits,

Kyle Pease
Chief Inspirational Officer
